Art Unit: 2652

1. Claims 1-10 continue to be withdrawn from further consideration by the examiner, pursuant 37 CFR 1.142(b), as being drawn to the non-elected invention. Election was made **without** traverse in Paper #6.

2. The title of the invention is not descriptive. A new title is required that is clearly indicative of the invention to which the claims are directed.

The Title should provide a more detailed structural identification of the feature or features which distinguish the invention from the prior art. The intended results produced by the structural differences can also be part of the content of the Title.

3. The following is a quotation of the appropriate paragraphs of 35 U.S.C. § 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless --

(e) the invention was described in a patent granted on an application for patent by another filed in the United States before the invention thereof by the applicant for patent, or on an international application by another who has fulfilled the requirements of paragraphs (1), (2), and (4) of section 371(c) of this title before the invention thereof by the applicant for patent.

4. Claims 11-18 are rejected under 35 U.S.C. § 102(e) as being anticipated by Sasaki.

Art Unit: 2652

Applicant's attention is respectfully directed to the embodiment of Figs. 15A and 15B which shows all of the claimed features including the feature of the P2 pole including a body portion and P2 pole tip portion being disposed upon said write gap layer 22. Note; for further identification of the structure of Sasaki that reads on the claimed structure, see paragraph 4 of the first office action.

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
